

As you may know, Rev. Sparks will be retiring as of December 24, 2021. To begin our search for a new minister, we are required to compile a Community of Faith Profile. This information consists of a detailed description of our mission as a congregation, our current activities within the church as well as our outreach to the community. The search committee is asking for your input and thoughts to help gather information to write our Living Faith Story. Please answer the following questions as detailed or as brief as you would like and leave it in the drop box in the narthex by August 1st. Thank you

1. What brings you to church?

---

---

2. In 6 words or less, how would you describe our church?

---

---

3. What areas should we focus our energy on for growth?

---

---
