

St. John's United Church

October

A **BIG THANK YOU** to all who donated their time, efforts and items to the Garage Sale last month.

The church was filled to the brim with all kinds of trinkets and treasures. The sale was another amazing success raising over **\$4500.00!**

DATES TO REMEMBER

Thanksgiving Sunday - **October 11th**

Church Board Meeting - **October 20th**

Service of Remembrance – **November 1st**

UCW Meeting - **November 9th @ 1:00pm**

Cookie Walk - **December 5th**

(more info to follow as the date approaches)

Canadian Foodgrains Bank 2026

This program runs domestic fundraising initiatives and international programs dedicated to ending global hunger. In our area the Northeast grow project, grow a crop for the Foodgrains Bank and donate the final product to the program. This year 120 acres of canola was planted by volunteer farmers and equipment, this was the 29th crop in our area since starting in 1997. A special thanks goes out to all the volunteers involved in such a worthwhile project. So many hands go into this labor of love and are proud to support the global cause.

For God is the one who provides seed for the farmer and then bread to eat. In the same way, he will provide and increase your resources and then produce a great harvest of generosity in you. 2 Corinthians 9:10

Window Update

Progress on the stained-glass window has been made! Thanks to the beautiful weather working in our favor and to our maintenance crew for keeping the trades people on task! The window frame has been removed along with the opening and frame, both requiring minimal repairs. The window opening is currently secured and scheduled to be installed next week. Fingers crossed the weather will hold out for the completion of the project and we will have the sanctuary back to its radiant self in no time.
